

# DEDICATION

October 21, 2001

The Benton District #6 School was moved from the corner of the Carroll and Baldwin Roads to its present location.

It is located on property donated to the Town by the Stanley Stout family.

The schoolhouse building was donated by Eleanor Hamm & the James Horst Family after learning of the preservation idea from Dick Christensen & Tom Murphy.

This restoration represents many donated hours of labor and items that are now on display in the Schoolhouse.

The Baldwin Cemetery directly behind the school also belongs to the town and has recently become active again.

Friends of the Town of Benton  
District #6 School House

June-July-August

The one-room Schoolhouse  
will be open to the public  
10 am - 1 pm  
Saturday mornings
